

THE BEYONCÉ OF LEMON GINGER TEAS

NIP'S TEA \$14.00

This one is for Nipsey Hussle. A man who invested in his community and from all the way in Cali taught our founder many principles of business. Philanthropy Fridays and Ivy Cares are ventures birthed from the example set by Nipsey Hussle. An entrepreneur who believed that he had the power to shape a new and inclusive America. One that we agree with, one that we work to shape.

HEYYY SWEETNESS

We offer a fairly decent collection of organic, herb-infused honeys. Our honeys are all natural, raw and organic. A healthier (*insert Jadakiss laugh) alternative to refined white sugars, our herb infused honeys are just what you need to sweeten the perfect cup of Ivy's Tea Co. tea.

Unique Relaxing Flavors

I purchased it because it was different but I fell in love with it because it delivers. In between my morning energizing tea and my bedtime time, I just want to sip on something warm and smooth. Blow does that for me. It's got a great flavor and is quite calming for my evening.
